

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

March 17, 2010

CBCA 1846-RELO

In the Matter of KATIE A. CARLSON

Katie A. Carlson, Victorville, CA, Claimant.

Bruce W. Trimble, Deputy Chief of Staff, Resource Management, Mission & Installation Contracting Command, Department of the Army, Fort Sam Houston, TX, appearing for Department of the Army.

POLLACK, Board Judge.

Claimant, Katie A. Carlson, filed a claim for reimbursement of expenses incurred in connection with her relocation to a new duty station. The issues involved whether a commuted rate or actual rate was the proper reimbursement for the transportation of household goods. Subsequent to the filing of the claim at the Board, the Department of the Army reconsidered its denial, recognizing that the commuted rate was proper. Given that the claimant is entitled to the commuted rate and will be paid at that rate, there is no longer a dispute over the matter.

Accordingly, the claim is dismissed.
