ORDER

Veterans Construction, LLC and the Department of Veterans Affairs entered into a contract which the Department of Veterans Affairs terminated for convenience. The contractor submitted a termination for convenience settlement proposal. When the agency did not act on that proposal, the contractor appealed to the Board from the agency's deemed denial of the claim. Following mediation in Bedford, Massachusetts, the parties reached agreement and have settled the case. The appellant therefore moves that the appeal be dismissed with prejudice.

Accordingly, the case is **DISMISSED WITH PREJUDICE.**
