ORDER

**DRUMMOND**, Board Judge.

On November 21, 2011, the Board received from Trade West Construction, Inc. (TWC) a timely-filed notice of appeal concerning a dispute involving a contract with the Department of the Interior, Office of Surface Mining, Reclamation and Enforcement to excavate rockfall material and unstable material from a hillside in Beattyville, Kentucky. The parties elected to utilize a binding arbitration procedure to resolve the dispute. On this date, the arbitrator issued an order resolving all issues before the Board.

In accordance with the arbitration agreement, there remains no dispute before the Board. The case is therefore **DISMISSED**.
