ORDER

The Department of Veterans Affairs (VA) contracted with Wildwoods, Inc. for renovation of access to the emergency room at the James A. Haley Veterans' Hospital in Tampa, Florida. Wildwoods claimed entitlement to \$99,182.86 as compensation for labor and materials it furnished in performing work which it maintains was in addition to that required by the contract; the contracting officer allowed \$38,571. Wildwoods also claimed entitlement to \$5148.82 for work it invoiced on June 4, 2012; the contracting officer did not issue a decision as to this matter. Wildwoods appealed as to both matters.

The parties have now jointly moved the Board to dismiss the case, stating that they have “reached a complete settlement of all claims raised herein.”

The motion is granted. The case is **DISMISSED**.
