ORDER

The General Services Administration (GSA) issued to Integrity Management Consulting, Inc. (Integrity) a task order for the services of personnel to assist the agency's Public Buildings Service in the formulation and administration of government contracts. After paying Integrity in response to the contractor's invoices, GSA determined that the billing was improper and that the agency had made overpayments in the total amount of \$144,800.96. A contracting officer's decision demanded that Integrity repay that sum to the agency. The contractor appealed the decision to the Board.

Through mediation conducted by Board Judge Joseph A. Vergilio, the parties resolved their dispute. Integrity has filed an unopposed motion to dismiss the appeal.

The motion is granted. The appeal is **DISMISSED WITH PREJUDICE**.
