

UNITED STATES  
CIVILIAN BOARD OF CONTRACT APPEALS

---

November 14, 2017

CBCA 5906-RELO

In the Matter of CYRIL D. ORAM, JR.

Cyril D. Oram, Jr., APO Area Pacific, Claimant.

Davis Young, Military Sealift Command, Department of the Navy, Norfolk, VA,  
appearing for Department of the Navy.

**VERGILIO**, Board Judge.

The claimant, Cyril D. Oram, Jr., continues to pursue reconsideration and make other requests concerning his relocation claim. In an opinion dated November 8, 2017, the Board concluded that because the claimant was subject to a collective bargaining agreement, it lacks the authority to resolve his claim. Apart from referencing inapplicable Board rules (Rules 26 and 27) instead of Rule 407, the claimant simply continues to disagree with the Board's determination and raises nothing that would alter the result. The latest requests are denied. Although this case should have been resolved fully before the various rounds of claimant's reconsideration submissions, since claimant labels his latest submission as the final request for reconsideration, this should end the matter before the Board.
