Appellant, Tim L. Fish, filed this appeal from the denial by the General Services Administration of his claim involving the purchase of a boat engine through auction. After exchanging information the parties entered into discussions toward settlement. On February 23, 2010, the Board received a joint stipulation of dismissal from the parties under which they advised the Board that the matter had been settled and that the parties had agreed to dismiss the appeal with prejudice.

Accordingly, the appeal is **DISMISSED WITH PREJUDICE**.
