Janaè C. Ball, Sunrise, FL, Claimant.

Anne M. Schmitt-Shoemaker, Deputy Director, Finance Center, United States Army Corps of Engineers, Millington, TN, appearing for Department of the Army.

WALTERS, Board Judge.

This matter was docketed by the Board on September 21, 2012. The claimant challenged her agency's billing for alleged overpayment of reimbursement for airfare in the amount of \$230. The agency, by letter to the Board dated September 24, 2012, stated that it had reviewed the matter and determined that its audit had been prepared in error. As a result, the agency has canceled the debt entirely and has requested that the matter be removed from the Board's docket. Accordingly, the claim is dismissed.
