ORDER

The Department of Veterans Affairs (VA) contracted with Alliant Enterprises, LLC d/b/a Alliant Healthcare Products (Alliant) to supply fully integrated operating room suites for the Veterans Affairs Medical Center in Syracuse, New York. Alliant claimed that the VA constructively changed the contract requirements, causing the company to incur an additional \$184,568.17 in costs. The company later appealed from the contracting officer's deemed denial of this claim.

The parties have now resolved their dispute, with the VA agreeing to pay Alliant \$168,000 in full settlement of the claim. They have filed a joint motion to dismiss the case with prejudice.

Accordingly, the case is **DISMISSED WITH PREJUDICE**.
