CIVILIAN BOARD OF CONTRACT APPEALS

CBCA 3406-TRAV

In the Matter of MICHAEL WILLIAM ECK

Michael William Eck, St. Louis, MO, Claimant.

Adrienne K. Price, Finance Center, Counsel, Army Corps of Engineers, Millington, TN, appearing for Department of the Army.

VERGILIO, Board Judge.

The claimant, Michael William Eck, takes issue with the agency's debt collection claim related to travel. The claimant, not employed by the agency, asserts that he was not the individual involved in the underlying travel claim. The agency has confirmed that it mistakenly sent the demand letter to this claimant. The agency is not seeking payment from this claimant. The underlying travel claim by this agency does not relate to this claimant. Accordingly, this matter is dismissed.

JOSEPH A. VERGILIO
