

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

February 3, 2014

CBCA 3507-TRAV

In the Matter of RENEE SCHOENBERG

Renee Schoenberg, Clarks Summit, PA, Claimant.

Michael Buxton, Counsel, Department of Defense, Office of the Inspector General, Alexandria, VA, appearing for Department of the Army.

VERGILIO, Board Judge.

The claimant, Renee Schoenberg, a civilian employee of the Department of Defense, was reimbursed by the Department of Defense for temporary duty travel occurring on February 21, 2012. Although the claimant filed this case disputing the agency's indications that it would be requiring reimbursement of \$90.35 (for mileage and tolls connected with the travel), the agency has written, specifying that it will not seek reimbursement for tolls and mileage connected with the trip in question. Without a dispute to resolve, the matter is dismissed.
