CBCA 3895-FEMA

In the Matter of MARITIME & SEAFOOD INDUSTRY MUSEUM

Paul J. Delcambre, Jr., of Balch and Bingham, LLP, Gulfport, MS, counsel for Applicant.

Allison W. Killebrew and Robert R. Latham, Jr., Mississippi Emergency Management Agency, Pearl, MS, counsel for Grantee.

Christie E. Rachal, Federal Emergency Management Agency, Department of Homeland Security, New Orleans, LA; Caroline Hong, Federal Emergency Management Agency, Department of Homeland Security, Washington, DC; and Richard Exnicios, Federal Emergency Management Agency, Department of Homeland Security, Baton Rouge, LA, counsel for Federal Emergency Management Agency.

Before the Arbitration Panel consisting of Board Judges **STERN**, **ZISCHKAU**, and **SULLIVAN**.

The Maritime & Seafood Industry Museum (Museum) filed this request for arbitration on June 12, 2014. Subsequently, all parties requested that the Board stay proceedings while the Federal Emergency Management Agency (FEMA) reviewed the project worksheet involved in the Museum's request.

The parties have now determined that the issues presented by the Museum are not ripe for decision at this time. The Museum, therefore, filed a motion, with the agreement of

FEMA, to withdraw its request for arbitration without prejudice. If any issues remain subsequent to the performance of the work order, the Museum may refile its request for arbitration.

In accordance with the parties' agreement, the arbitration is dismissed without prejudice.
