v.

ORDER

Greasewood Springs Community School, Inc. appealed the determination of an approving official of the Department of the Interior's Bureau of Indian Education that a portion of funds granted to the School must be repaid because costs incurred using those funds were disallowed.

After further review, the agency has decided that all questioned costs have been resolved and has canceled its bill of collection. The parties agree that the issues raised in the appeal are moot and have asked the Board to dismiss the appeal with prejudice.

Accordingly, the appeal is **DISMISSED WITH PREJUDICE**.
