ORDER

On November 7, 2023, the parties jointly moved the Board to dismiss the above-captioned appeal with prejudice on the basis that appellant amended, recertified, and resubmitted its claim to the contracting officer. The contracting officer denied the second amended claim, and appellant filed an appeal. The new appeal, which the Board docketed as CBCA 7923, renders this one moot. The motion is granted. CBCA 7667 is **DISMISSED WITH PREJUDICE**.
