

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

June 6, 2025

CBCA 8429-RELO

In the Matter of FERNANDO C.

Fernando C., Claimant.

Erika A. McPherson, Counsel, U.S. Army Aviation and Missile Command Legal Center, Redstone Arsenal, AL, counsel for Department of the Army.

VERGILIO, Board Judge.

The claimant seeks here to amend his travel orders for an upcoming final relocation to permit compensation of expenses not initially approved by the Department of the Army (agency). The agency has amended claimant's travel orders to permit the reimbursement of the expenses. Consistent with an agency motion, and the claimant's acknowledgment of receipt of the amended travel orders, the Board dismisses this claim as moot.
